CPP PUMP SERIES

SUPERIOR PERFORMANCE POOL & SPA PUMPS

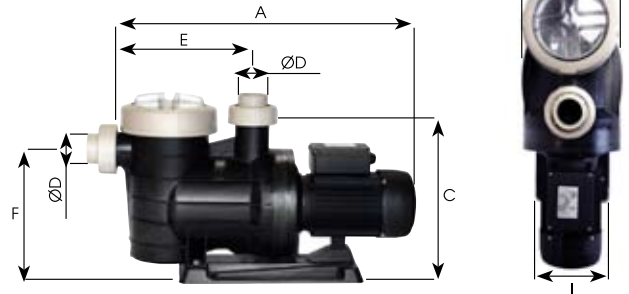

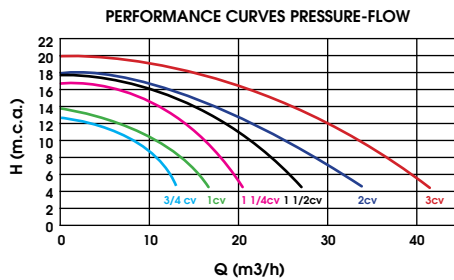

The CPP swimming pool and spa pump range offers superior performance and exceptional reliability. It has been engineered using the latest technology ensuring it delivers maximum flow rates with virtually no noise. The CPP range is ideal for spas, private and commercial swimming pools when long lasting operation and efficiency are essential. Complete with barrel unions the CPP is quick and easy to install on new and existing pools and spas.

Features & Benefits

- New generation of self-priming pumps using the latest technology in energy and cost efficiency for swimming pools and spas
- Perfectly balanced Noryl impeller and high resistant shaft seal that guarantee the long lasting performance of the pump
- Highly resistant against all chemical products
- Clear view strainer cover
- Equipped with connection unions for both 40mm and 50mm for easy installation
- All pumps are individually tested to guarantee against default
- High flow rate with super quiet operation
- Suitable for either commercial or domestic applications. Available in both single and three phase power

Each pump is covered by a limited 3 year warranty.
